KAMIC Group Adds Value to Industrial Customers

Dear Sir/Madam,

To strengthen the range of products and services to our industrial customers, we have decided to merge the electromechanical units within KAMIC Installation AB and EG Electronics AB as from October 1st, 2018. This includes the TIBE brand and the manufacturing unit, KAMIC Installation SP zo in Poland. The new business unit will be part of EG Electronics AB.

For more information, please read the attached information and if you have further questions you are welcome to contact us.

Sincerely,

EG Electronics AB
